# Nurse Practitioners

# A+

Sponsored by  
Nebraska Nurse  
Practitioners  
Provided by Copycat

Secured on-line credit card payment and additional brochures available  
at [www.nebraskanp.org](http://www.nebraskanp.org)

## TARGET AUDIENCE

This conference is targeted to all advanced practice registered nurses and students.

## CONFERENCE OBJECTIVES

1. Update advanced practice knowledge of health promotion and disease prevention as it relates to acute and chronic illnesses across the life span.
2. Discuss the most current pharmacologic and non-pharmacologic management of acute and chronic conditions.
3. Review current research and the application of research to clinical practice.
4. Collaborate with local and nationally known experts with innovative information.

## CONFERENCE PROTOCOL

For the courtesy, concentration, and comfort of our participants, we ask that all cell phones and pagers be silenced during the sessions. Breaks are provided for your communication convenience. As a courtesy to participants, infants and children may not attend conference educational sessions.

## RECOMMENDATIONS

Handouts will not be available at the conference. Visit [www.nebraskanp.org](http://www.nebraskanp.org) to print or download handouts for the sessions that you plan to attend. If the handout is not on the website by February 15, 2010, a printed handout will be available at the session.

1. Remove the registration form and mail with your payment.
2. Make a copy of your selected breakout sessions.
3. Remember that "limited" sessions are limited due to the required equipment that each participant will use during that session for a hands-on experience.
4. If an email address is provided, Diane Jackson will confirm your registration.
5. Bring a sweater or jacket as the room temperature fluctuates!
6. Remember to indicate on the registration form exactly what your payment includes (for you, for a colleague, your spouse/guest meals, NNP membership renewal).
7. If you have an item to donate to the Silent/Chinese Auctions, please contact Julie Sundermann. [julie.sundermann@cox.net](mailto:julie.sundermann@cox.net).
8. Your family is welcome at the hotel, but infants and children will not be allowed in the education sessions per requests on evaluations from past conferences
9. Due to the growing size of our conferences and NNP membership requests from past conference evaluations, we will ask you to write any and all questions on index cards that will be presented to each speaker. The speaker will respond to the questions after the break and/or at the end of the session. This protocol at national conferences will now be followed by NNP.
10. If you require a duplicate continuing education certificate mailed to you, please send a self-addressed, stamped-envelope with a \$5.00 fee (payable to NNP) and mail it to Patsy Burnett at PO Box 143 Broken Bow, NE 68822. [plburnett@earthlink.net](mailto:plburnett@earthlink.net)
11. Feel free to bring your laptop to download handouts and take notes during the conference sessions

## CANCELLATION PROTOCOL

Please note that the registration deadline is February 10th. This includes cancellation requests. Refunds will be issued after the conference for cancellation made by February 10th. A \$50 cancellation fee will be retained. No refunds will be given for cancellations made after February 10th.

## LATE FEE PROTOCOL

A \$50.00 late fee will be applied for all registration postmarked after February 10th.
